

HYDROMAG Best Poster Prize

The HYDROMAG association for Hydromagnetic phenomena and its applications (www.hydromag.eu) is pleased to announce the first Hydromag Best Poster Prize.

The prize consists of a personal gratification of 500€, awarded for the best poster presented at the PAMIR conference (Cagliari, 20-24 June 2016). The competition is open to all researchers under 35 years of age, who are first author of a poster accepted for display during the conference. The winner will be decided based on the originality, significance and rigour of the work presented. The decision will be made by the members of the HYDROMAG committee present at the PAMIR conference.

This edition of the prize is generously funded by Coventry University (UK).
